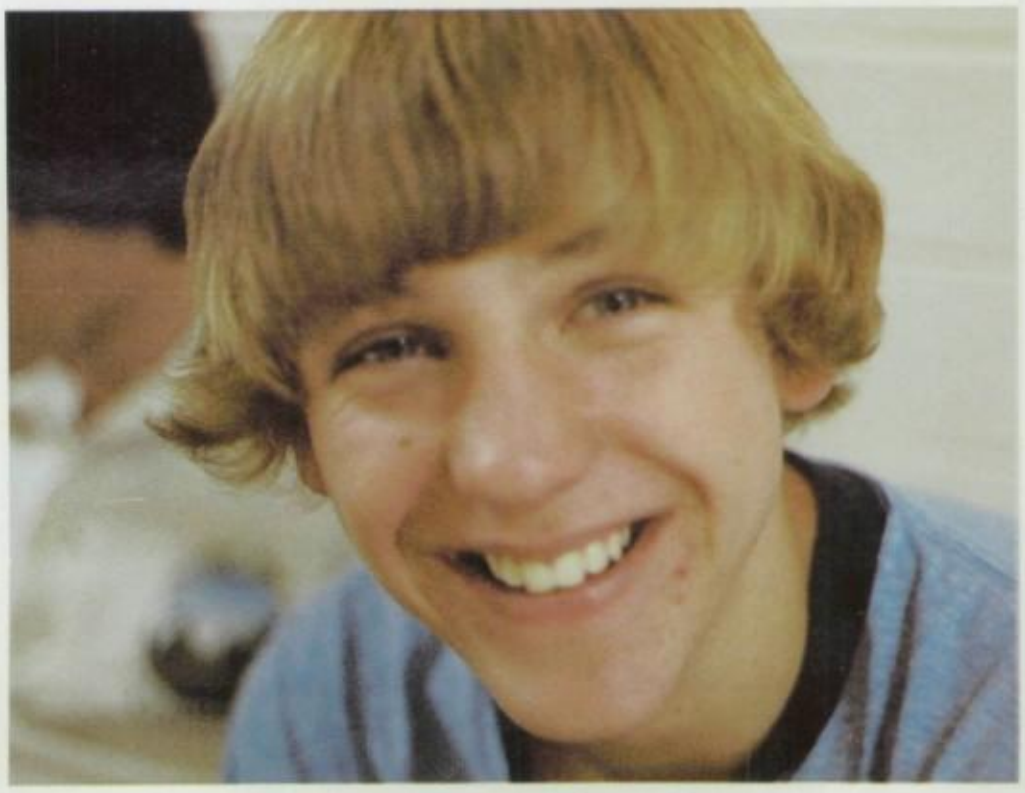
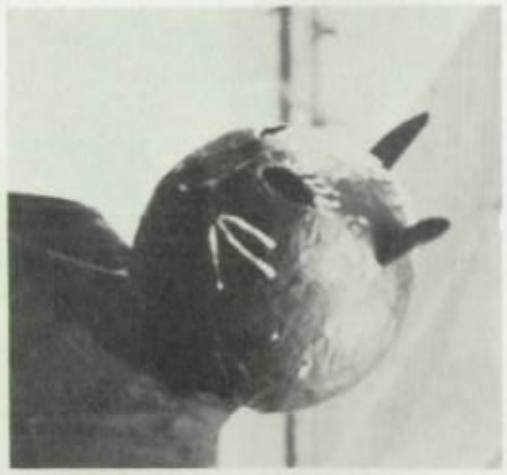
And every picture tells a story



As the doors of Coconino High School opened on August 28, 1978, a total of 1103 students rushed inside to start another year. Most were in pursuit of an education, but others were seeking new experiences, new ideas and new challenges. Autumn brought an end to our summer but for us at C.H.S. it meant only a beginning. A time to show our spirit, root for our team and begin the year 1978-'79 like a Coconino Panther.

. . . of our spirit

1978 HOMECOMING



On September 29th, the week of Homecoming, started the 1978-79 school year off with lot of fun and excitement. The teachers and students all participated in the festivities that lead up to the Homecoming game against Holbrook Friday night.

The mighty Panthers, backed with all the pride and spirit of their student body, defeated the Roadrunners 24-6, making Homecoming truly a success.

Coconino's traditional Homecoming Spirit Week took place during the week of September 25th through the 29th with "Cat Scratch Fever" as the theme. The "in" thing this year at CHS was overalls so naturally Monday was proclaimed "Overall Day". Tuesday, everyone wore their funny-looking sunglasses to accent "Shades Day". The 50's returned for a repeat performance on Wednesday's "Grease Day", which was followed by "Jersey Day" as CHS students decorated the halls with their favorite numbers. Thursday evening, the Pom Pons, Cheerleaders and the Band hosted the student body in a special Roadrunner Roast bonfire. Friday, we all donned our Red, White and Blacks and journeyed to the dome where we cheered our team to victory against Holbrook. Spirit Week drew to a close as we all danced to the sounds of "Disco on Wheels" at the Homecoming dance. A good time was had by all.

The next week the Seniors welcomed the Sophomores to Coconino with a spirited Sophomore Orientation. There were games on the practice field and the slave sale gave the CHS upperclassmen a chance to get to know the class of '81. On Monday the Sophomores were enslaved by the Seniors who made a profit by selling them three for a quarter. On Tuesday and through the rest of the week, the Seniors dressed up their already humilated slaves in ridiculous costumes. The Sophomores survived it all and even managed to participate in the crazy games the Seniors had planned. It was no wonder the Sophomores seemed relieved when the week of torture was over although they had to admit that it was all in fun.

Opposite Page: 1. Sophomore Steve Newman anticipating the impact of water ballon tossed to him in one of the games during Orientation. 2. A lull in activities on the practice field. 3. Some Sophomores wondering if or when they'll get it. 4. "Pssst . . Cool it with the roses, Dawn!!" 5. The fifties revisited???!

This Page: 1. We usually keep Darryl Aldrich and Dona Lingerfelt in nice pale green rooms with padded walls where they can't hurt themselves. 2. Dennis Balduf seems to have had an unnerving week.

COMPETITION

long hours of grueling practice, developing techniques, learning discipline and limitations. A member of a team, taking part in the pride of a win and the emotion of a loss. Peforming to your fullest, being cheered on by excited spectators. From the seriousness of the final minutes to the hilarity of Powder-Puff.

RESPONSIBILITY:

representing a team, a school, and the diligent work of devoted coaches. Pep rallies, school spirit, and pride are all developed from determination.

FINALLY:

the long-awaited season is over. Rivals have been totalled with pride, losses have been accepted. Sportsmanship at C.H.S. continues as a new sport moves into the spotlight, new faces, new coaches, working hard to achieve a totally new reputation. The responsibility, the participation, and the teamwork are all a part of C.H.S.

"Cats with Class", describes only one thing, the J.V. football squad! The Cats had a very successful season, and with a couple of breaks they could have gone undefeated, instead of their 6 and 2 overall seasonal record. Coach Mike Olson and assistant Coach Dave Roth enjoyed heading up the J. V. Team. The Cats have a bright future ahead of them, and could also be contenders for State in their coming years at C.H.S. Good luck, and keep up the good job!!

The Pink Panthers season was some what of a learning experience. They lacked the depth to win against some powerful teams in the conference but they still tried to show their spirit when on the court. Mr. Wertz was this year's coach for the varsity team. Runners Rack Up The Miles

The Cross Country team this year was one of the hardest working teams in our school. On the boys team there were 16 who went out and put alot of miles into each day.

The girls had a smaller team but still worked just as hard as the boys. The two team had 2 top runners. For the girls, it was Kelly Bates, she has broken four school records, and has come in 1st in many races. The boys had Nate Thompson, who is a junior. He too has broken school records and has come in 1st in four races. The team was helped out by Coach Boehle, and Coach Bacus.

Winning Team L to R Mike Sanchez, Lavor Emerson, Coach Gordon, Paul Barber, John Thompson, Leslee Help, Mel Cody, Victor Todacozy, Coach Boehle, Front Thor Holland, Homer Chee, Allen Batson, Nate Thompson, Mark Boehle.

The 1978-79 Coconino Gymnastics Team first began practice as a club during the month of October. Using their own time after school, the club with its new coach, Mrs. Hollins, worked out every day except Friday.

Tryouts in January made the club an official team and the girls headed full swing into practices for their first meet which was in March.

This year our Varsity Panther Basketball Team was very talented. Even though they were young and inexperienced, their pride proved that winning wasn't everything. One of our greatest wins of the season was against the Flagstaff Eagles, 68-66. Our season rounded out with 6 wins, 14 losses. Next year is sure to bring better results.

The J.V. Cats had a good season coming out with 10 and 7 on the board. It looks as if our J.V. squad has an exciting future ahead of them when they play on Varsity in the following 2 years.

Benne H's Bouncing Babes

This year's girl's Varsity Basketball team has the talent to be number one in the division.

They have a new coach this year: Mr. Dave Bennett. He has brought in many new ideas and has introduced them into the girl's basketball program.

Returning on the coaching staff this year for the J.V. team is Miss Shawn Pettit. She and her sophomores are doing a great job. They are gaining much of the experience needed to come back with an even stronger Varsity team next year.

Managers this year are Sue McEuen, Sherri Lucero and June Poocha. These girls are a tremendous help to the coaches. They help at practices and also take stats and keep score during the games.

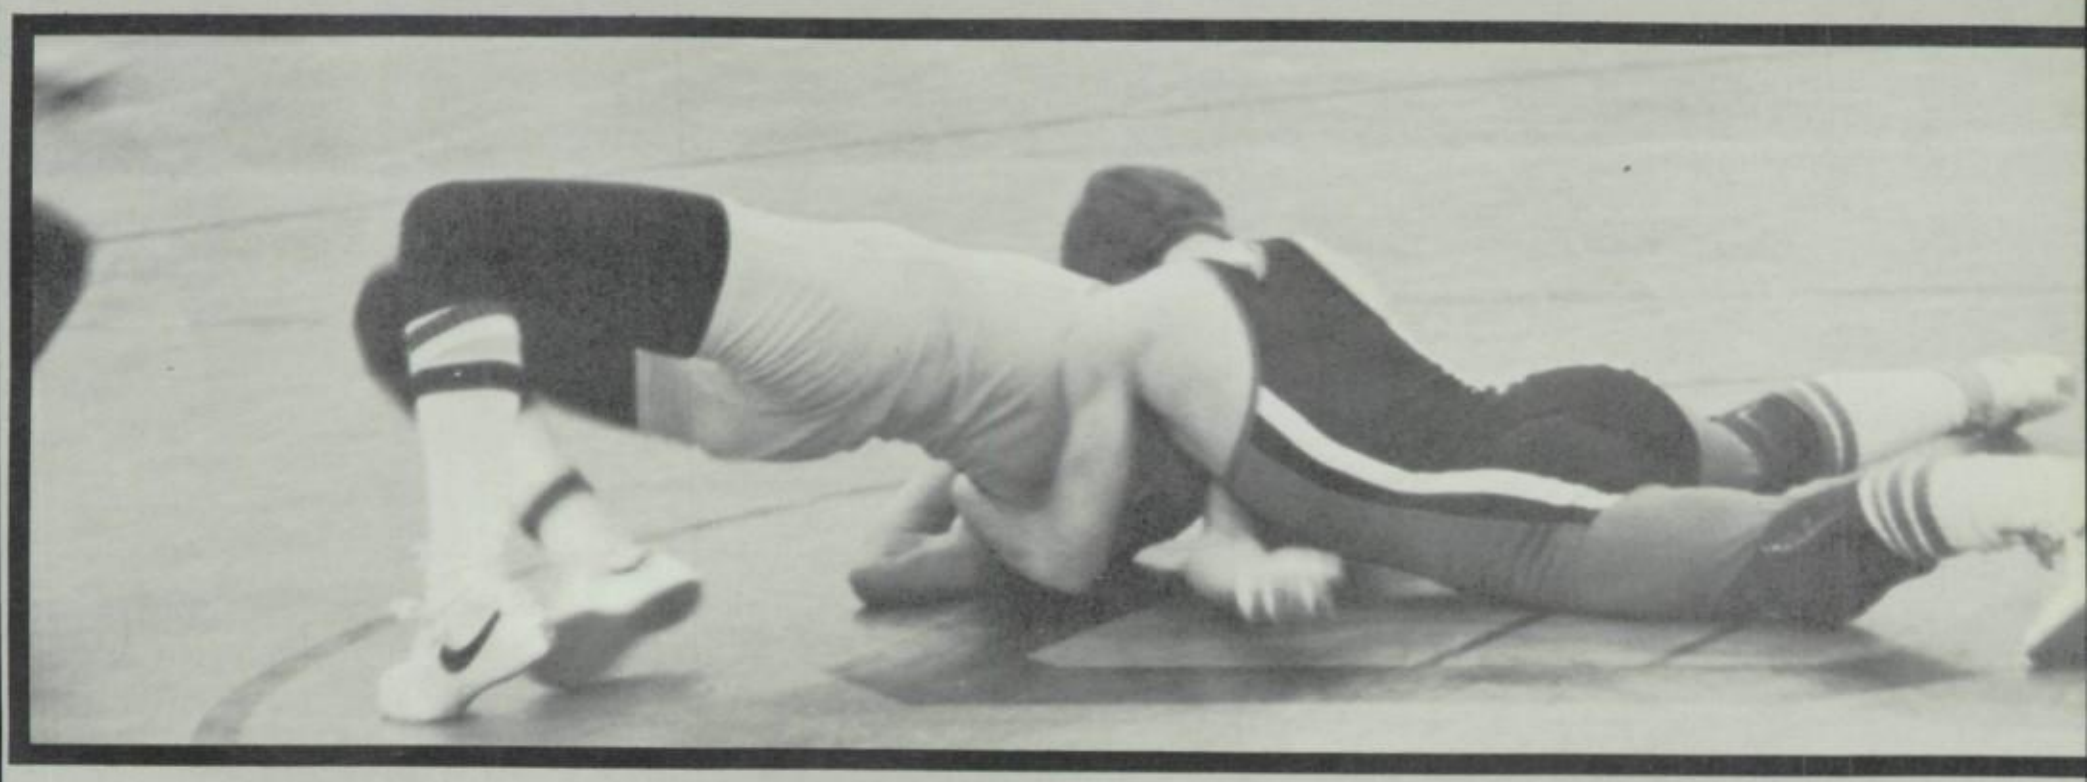
The Varsity Wrestlers were lead by Coach Dave Roth this year. Their season was rather poor due to the lack of participants. They had many fine wrestlers, but still could not fill out the team. Joe Sepulveda, Glen Isabel, David Stephens, and Dan Barber were Fortunate enough to participate in the State tournament. Glen Isabel was the only one to place with third.



J.V. Wrestlers Tie It Up

J.V. Wrestling

The J.V. Wrestling team this year was composed of one senior, four juniors, and two sophomores. Each one was important to the team in their own way. Felipe Muñoz, senior, helped get the boys into the competitive spirit by wrestling exhibition. Muñoz had a 1-1 record. Richard Quiroz, junior, could very likely be seen on the varsity team as a senior if he keeps up his enthusiasm. Quiroz finished the season with a 2-3 record. Rick Bible, junior, has potential but needs to develop it. His record was 2-3 also. Ned Luthy, junior, was very competitive this year and many things are expected of him as a senior. Luthy had a 7-4 record. Eric Peterson, junior, improved tremendously during the season and should bring in many points for the varsity squad next year. Peterson had a 4-3-2 record. John Fritz, sophomore, was one of the young but aggressive wrestlers and looks to be a varsity starter next year. Fritz finished the season with a 4-5 record. Frank Villapondo had a 0-1 record.

The J.V.'d did a good job this year. Congratulations!

Student Council: Picture Perfect

The picture Student Council presents is a very pleasing one. It is a group of students representing their separate classes (Soph., JR., Sr.). They work hard throughout the year improving the school, promoting school spirit, and also are involved in many community services.

Student Council runs the Book Store year-round. There are numerous committees which benefit the school and the students such as the beautification, dance, pep assembly, teacher appreciation, and many others. Student Council helps in renting rooter buses which lower the prices for the Students. Homecoming Week is organized and sponsored by Student Council. Student Council gets involved in Community services such as Trick or Treating for Unicef, Christmas parties and baskets for the elderly, and the list goes on.

In the past the National Honor Society has been based strictly on an honarary membership. However, this year the N.H.S. has participated in more activities. One activity they took part in was a Saint Patricks Day party for the Hozhoni Foundation. The National Honor Society contributes to the students desire to work hard and maintain good grades. The theme that is introduced throughout the '78 Reflections is "Every Picture tells a Story." The '78 Reflections Staff fielded it's largest class, as 25 students came out for Annual Staff. Joanie Ahumada was Editor and was assisted by copy editor Julianne Cooper, treasurer Robin Reed, and photography editor Paul Barber. The Annual Staffers have worked hard in order to meet all deadlines and produce a memorable yearbook for the students and faculty of C.H.S.

East Side Story

The East Side Story staff has worked hard this year to produce an outstanding newspaper, which informed the students about things like sports, news, feature articles, and even editorials, so the people with ants in their pants could let the staff know their opinions. The ESS was represented by our very own athletes, intellectuals, and scholars. Each of the staff writers spent plenty of time researching every article indepth. There were many interesting stories produced, ranging from the Styx concert to Art Kerrick's big toe. They didn't miss a fact.

Throughout the year there were ten papers put to the assembley line, each one showing quality and dedication.

V . . . Stands

The Varsity Club has done an outstanding job this year, in participating in activities for and around Coconino High School. Each year they go out of their way to come up with ideas that gives the school shine, this is there school improvement project. They are also in charge during basketball season of selling popcorn, this is their big money raiser. To become a member of Varsity Club you must have lettered in any sport, so just not anyone can join. Each Club is unique in different ways, the VC is special not only here at school, but they run the elementary boys basketball tournament. The Varsity Club gets involved, and cares whats going on around them!!!

Promoting school spirit and representing the school well, was the Pom Pon's main objective this year. After attending the Camp of Champs held at N.A.U., the squad came home with the spirit award and an overall second place out of the dozens of schools that participated. Performing at half-times, marching in parades and a special trip to the State Fair all added to the Pom's great year. Selling Homecoming Mums was their traditional money raising project.

Flags and Twirlers

This year the performances of the Coconino High School Marching Band was a combination of quality music, an impressive performance by the twirlers and a glowing performance by the flag girls. The performances by the twirlers and the flag girls was not confined to a CHS audience. They accompanied the band on a trip to Snowflake fr a football game and later in the season to the State Fair. The girls really worked hard this year on their routines, and it showed in their performances.

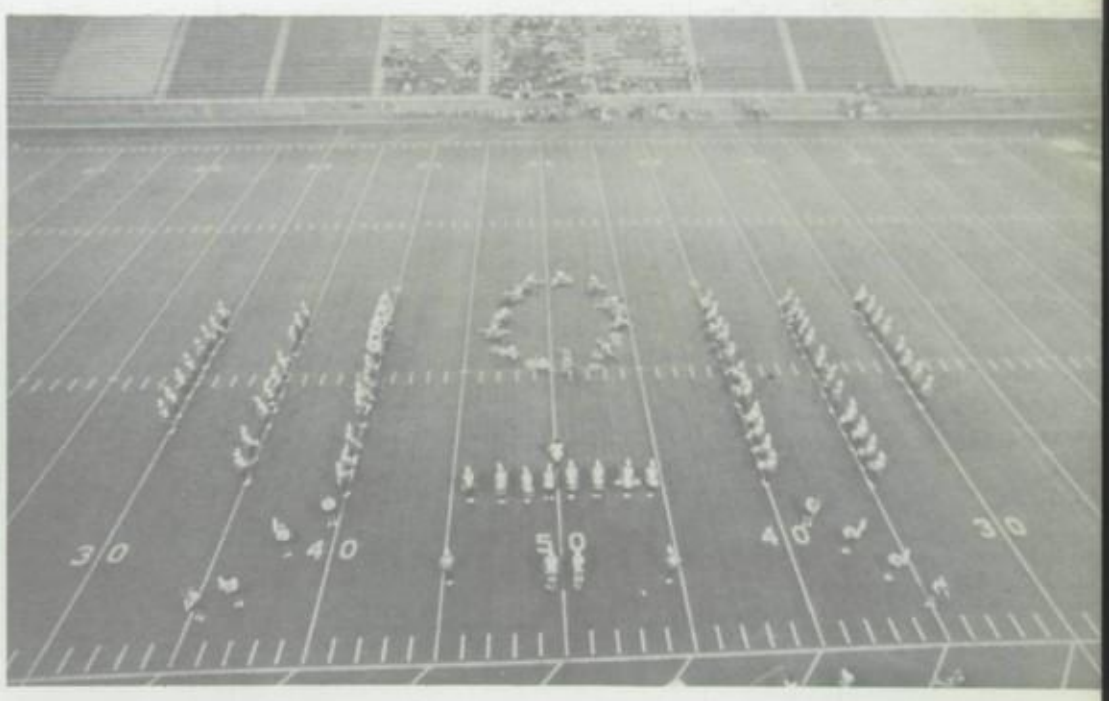
"Under the direction of Mr. Bernard Curry, and lead by Drum Majorette Julie Lingerfelt, the Panther Marching band takes the field." Those words were heard by many as the band performed the half time show at all home football games.

During the week of N.A.U. Homecoming the Panther Band was invited to march in the parade, and also perform the pre-game, along with several other high schools from through out Arizona.

The Band also travelled to Snowflake in which they experienced a different kind of marching. In the mud, as it rained throughout the game and during their half time show.

In keeping with tradition the band travelled to the State Fair on October 30, accompanied by Mrs. Curry, the Flag Girls, Twirlers, and the Pom Pon Girls for a day of fun and very little marching. With the help of Mr. Curry, the Panther Marching Band will continue to rate superior.



Varsity Cheers

Shouting it out, was not the only thing the Varsity Cheers did this past year. Besides working very hard to promote school spirit, they attended the NCA Cheer Camp Clinic at NAU this summer. For five days and nights the girls worked hard and it showed up. They brought back a spirit stick, a cheer plack award and an NCA spirit megaphone. They acheived the prestigous "spirit" award by being voted by fellow cheerleaders and the NCA cheers as the most spirited squad at camp.

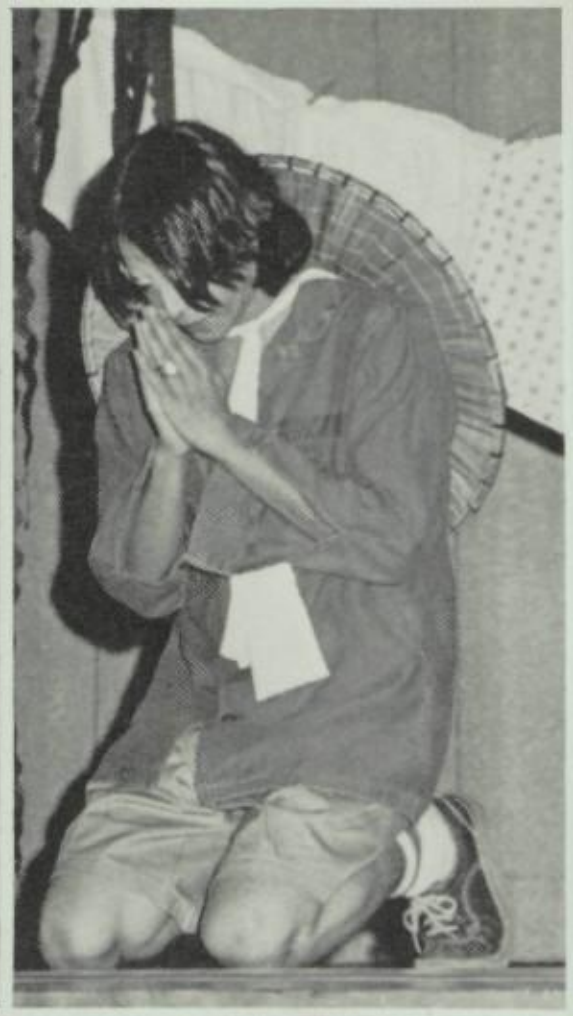
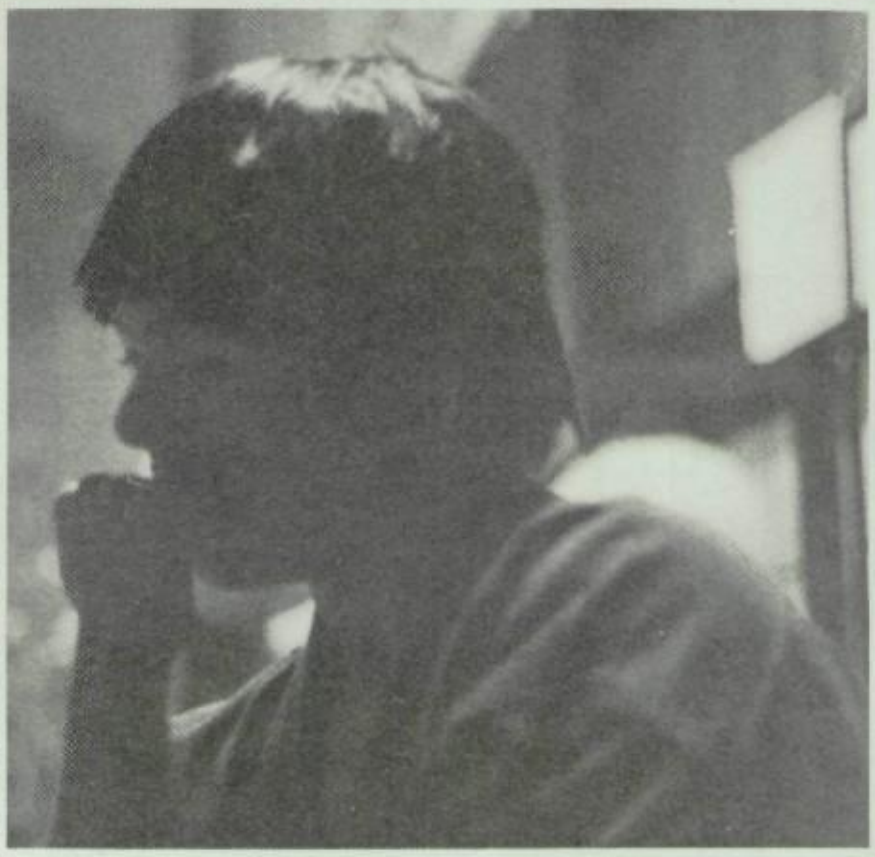
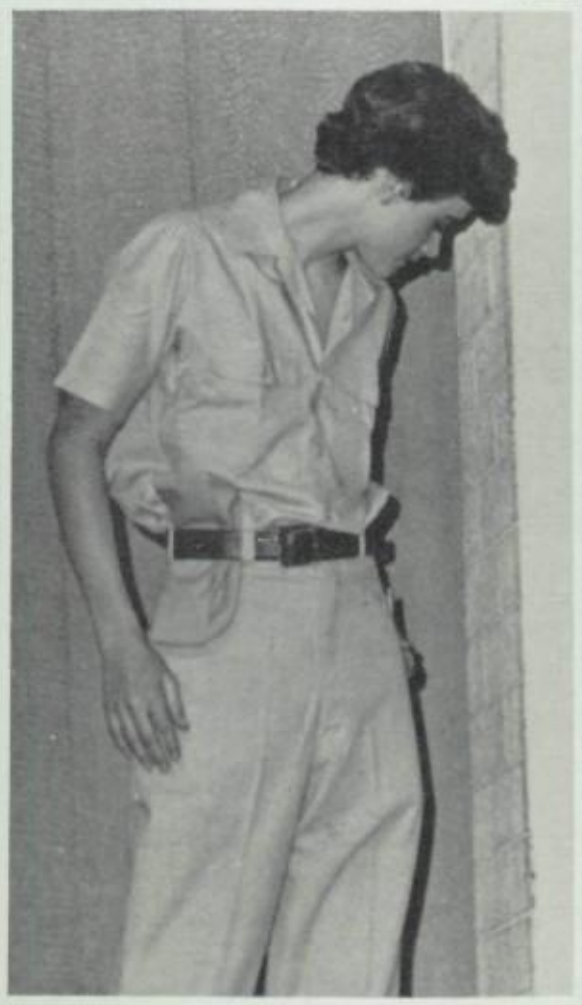
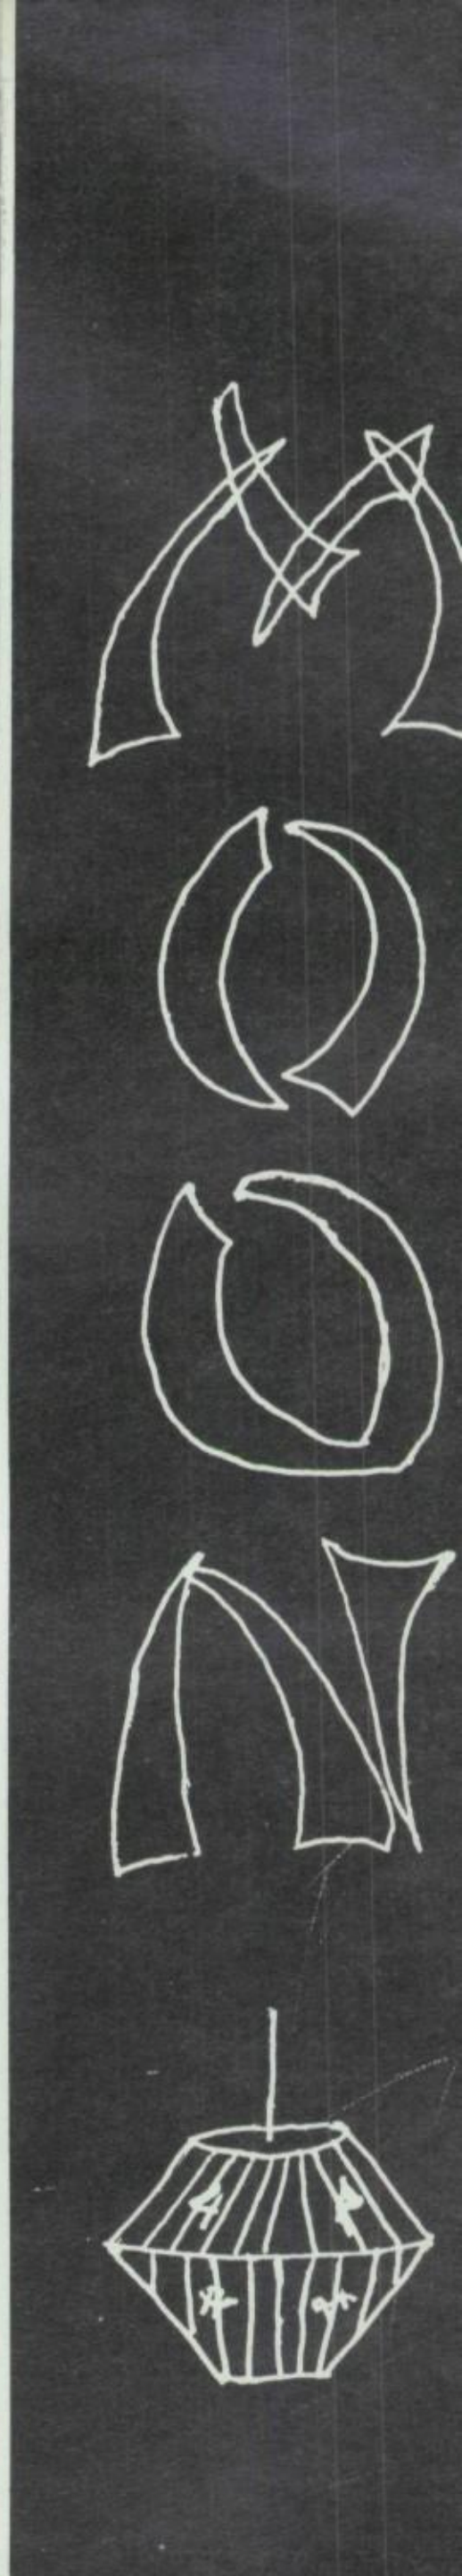
Arts

Teahouse of the August Moon was Coconino's best dramatic production of the year. The play, which played on the 19th and 21st of October, starred Robert Martinez as Sakini, Kathy Weinmann as Captain Fisby, Brent Andrews as Colonel Purdy, and Tim Parsons as Captain McLean. The two night performances came off well thanks to the directing of Ms. Deborah Stewart.









Madrigals Reflect The Songs In Our Hearts

This years eighteen singer Madrigal group represented CHS well in all their performances and competitions. They performed in many concerts with the rest of the chorus department. They traveled to various competitions throughout the state including one at the State Fair, the NAU Festival in March, and the Mountain States Festival at ASU. Russell Ashley is the director and Crystal Fankhauser was the accompanist. Everyone's efforts were greatly appreciated.

Couples [illegible] Vickie Kemp and Warren Brown, and Nancy Korn, John Fingerlen and Robert Martinez, MaryAnn Boehle and Walter Wenzinger, Dawn Aldrich and Chuck Curry.

A Foreign Affair

The German, French, and Spanish Clubs did a little bit of everything from selling concessions at various basketball games to sampling and selling foods representing the countries that they were learning about. Thanks for making all of our tummies happy this year.

Pep Club Spirited

One of the most spirited clubs at Coconino this year has been the Pep Club. The Pep Club supplied all the encouraging posters seen in the hall and at the games this year. They sponsored one away trip during football season. They also had fund raising events such as bake sales, and sold buttons.

This year Pep Club has a new sponsor Mrs. Madden. The officers were Margaret Langley: President, Debbie Lucero: Vice president, Julie Lingerfelt: Secretary, Tessie Phelan: Representative.

JROTC Presents Colors

The J.R.O.T.C. of Coconino comes to a successful end this year. The 78-79 squad contains 64 members from both Coconino and Flaghi. The organization had been on probation for the year seeing if they could raise their inlistment to the minimum 100 members; The group accumlated many awards and trophies to end an all around sucessful last year.

Mama . . . ?

Mama, What's a nigger?
Why do all the people fight?
How come daddy's face is Black,
and why is mine so light?
Mama, what's prejudice mean?
Who is the KKK?
Why do the kids call me names
At recess every day?
Mama, what's a half-breed?
Is it better to be white?
Why doesn't teacher call on me
When I know my answer's right?
Mama, What's "High Yaller"?
Why is my hair so straight?
Mama, what's a honkie?
Is it something I should hate?
Mama, at school today
Teacher said niggers are dying . . .
Am I a nigger, too, are you?
Mama, why are you crying?
-Ta Ressa Stone

Art Club Draws Recognition

Art Club made a lovely quartet this year. Directed by their sponsor Mrs. Butterfield, the club held lunch meetings to discuss various projects. Their major project was silkscreeing tee-shirts. They placed the club emblem, designed by Bruce Thomas, and each members name on them.

Carousel

Carousel was the 78-79 combined musical between Coconino and Flag High, the second of its kind. The play, which starred Robert Martinez, Leslee Patrick, and Drexel Andrews from Coconino and Tara Sidles, Adam Gather, and Ronnie Stevens from Flag High, was performed on the 21 and 22 of December.

The combined talents of the schools again proved to be successful.

Drama Club Takes The Stage

Drama Club: One of the best clubs at Coconino over the past year has been the Drama Club. The members work hard and are very dedicated students. They've put on many successful plays this year that have captivated their audiences. CHS Students Make The Moves

Coconino has many clubs and organizations- three of these (covered on this page) are Chess Club, Hiking Club, and Rodeo Club. These are all active, and interesting, clubs that help keep the spirit at CHS.

Chess Club *is coached by Chris Wannie, and co-sponsor David Bennett. The chess club participates in many tournaments throughout the year. Some of these which are held in Flagstaff and other cities throughout the state. There are 20 members in Chess Club. They practice on their own and also meet everyday at lunch. The team is made up of the top 6 players. Coconino's Chess Club will sponsor the Regional Qualifying tournament for state. President of Chess Club this year was Mike Monzma and the Vice Pres. was Stephen Tellez.*

Hiking Club *is sponsored by Ethel Bacus. There are approximately 20 members. Hiking Club has various fund raising projects through out the year so that they are able to pay for their various trips. During the winter, Hiking Club goes on cross country skiing trips. One of these is a weekend trip to Camp Colton where the skiiers spend the night after skiing all day. Hiking Club this year is planning a hiking trip around Navajo Mountain up by Lake Powell. It should be a very successful trip.*

Rodeo Club *at Coconino is new this year. Many students at CHS got together, made up a constitution, got a sponsor, and made up Coconino's Rodeo Club. It is sponsored by Edison Bitsui. The club is made of 35 members. Some of these will be attending rodeos during the spring. They are planning a Western-Week which will be filled with spirit, excitement and good times.*

President of Rodeo Club is Sherry Wright.

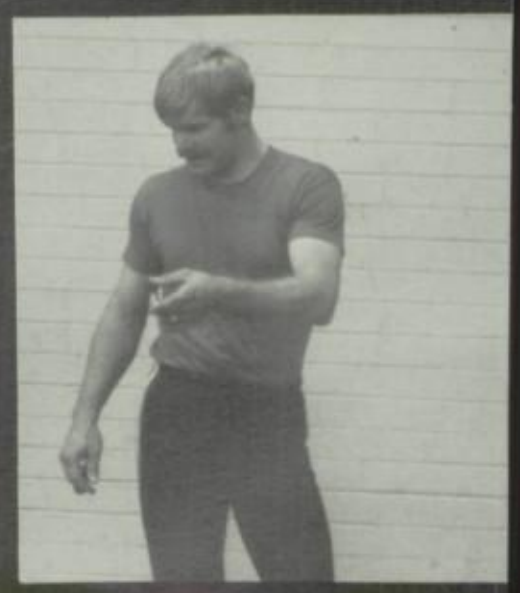
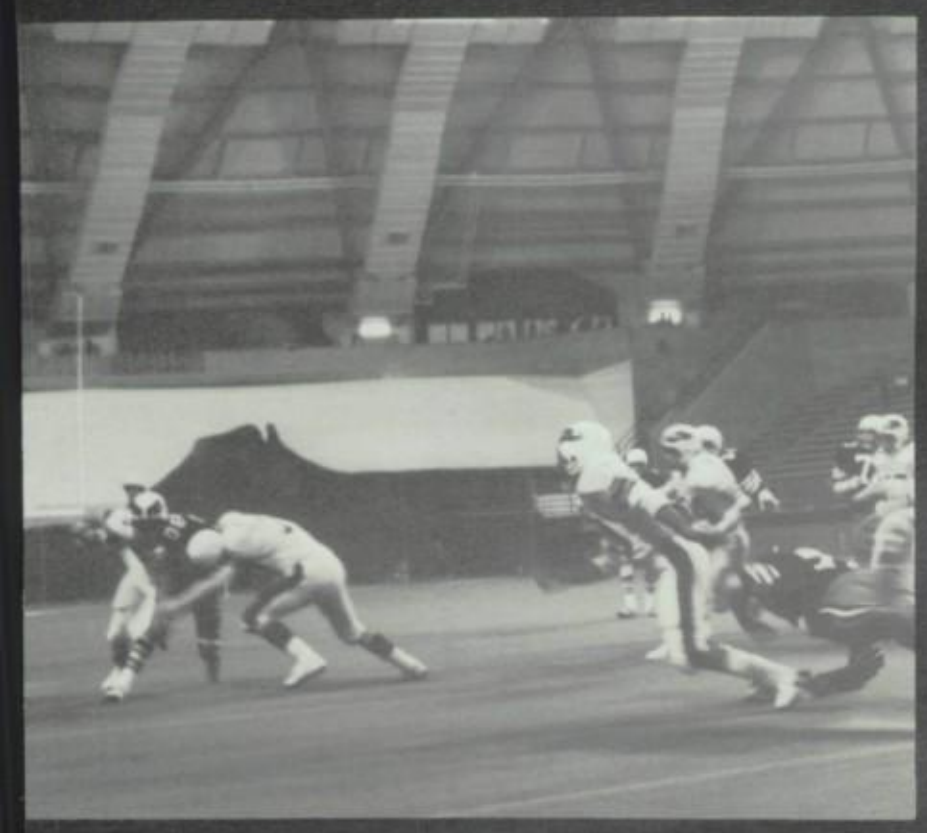
Panthers: Doing It Their Way

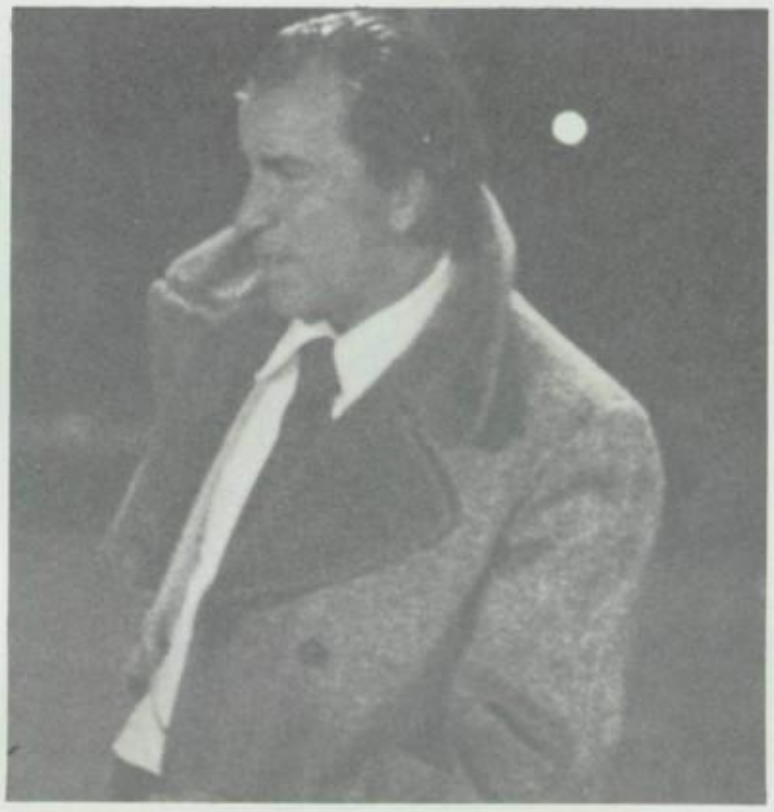




GO IN TO
WIN
GO IN TO
PIN!

And Every Picture Tells . .

. . . A Story Of Our Faculty



Working for us, putting in time and effort to better our education while checking transcripts to see that we were building up enough credit for graduation were some of the responsibilities of our faculty.

Faculty and administration also worked to see that decisions were made, social engagements were chaperoned and that attendance and homework were accountable. The list goes on but the bottom line reads, "Teachers, administrators, secretaries, custodians and the cafeteria crew were all backing the Panthers.

Office Charts CHS Course

This year's office staff did a great job controlling the school. Dr. Gibson joined us for his first successful year at CHS. Along with discipline, Mr. Wolfe knew about anything that went on around the student body. Our secretaries made sure our absences were "avoidable" or "unavoidable", and our nurse, Mrs. Chapman, helped heal our wounds. Congratulations office, you made it through another year!

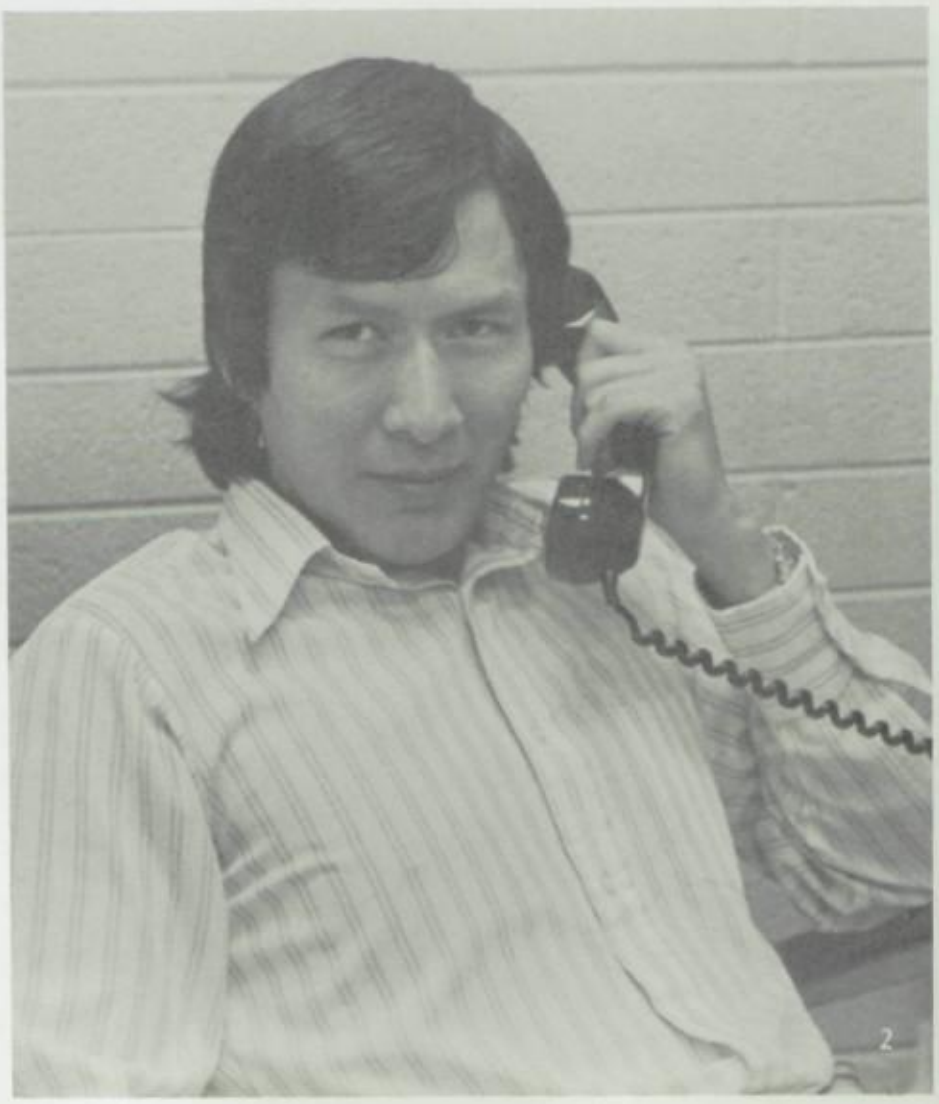
Counselors

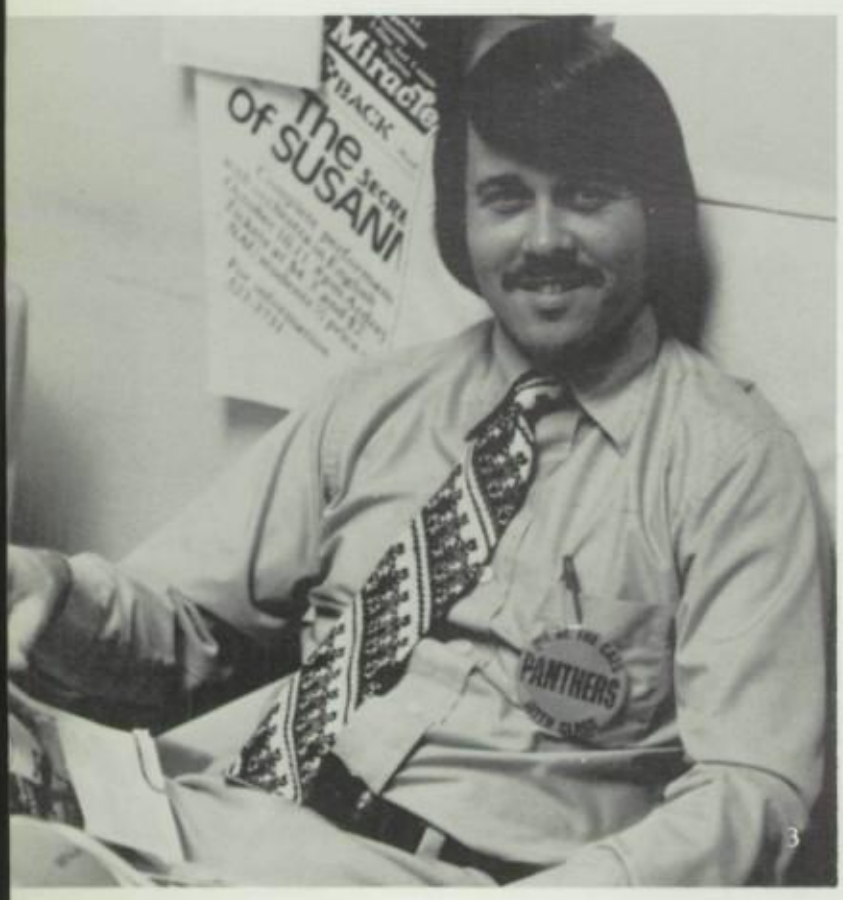
Counselors at our school assist the students by applying for scholarships, grants and loans to further their education. They send for pamphlets and other information to give you a good idea of your choices of colleges. They also work with students trying to help them find an occupation of interest. Counselors have also prevented a great number of students from quitting school by one way or another. The counselors also take a big part in our extra-curricular activities. Our counselors are special in that they're always there if you need to talk. Picture #1; Ed Robinson #2, Edison Bitsuie #3, Jack Boehle #4, Jan Kragh #5, Dave Kelly

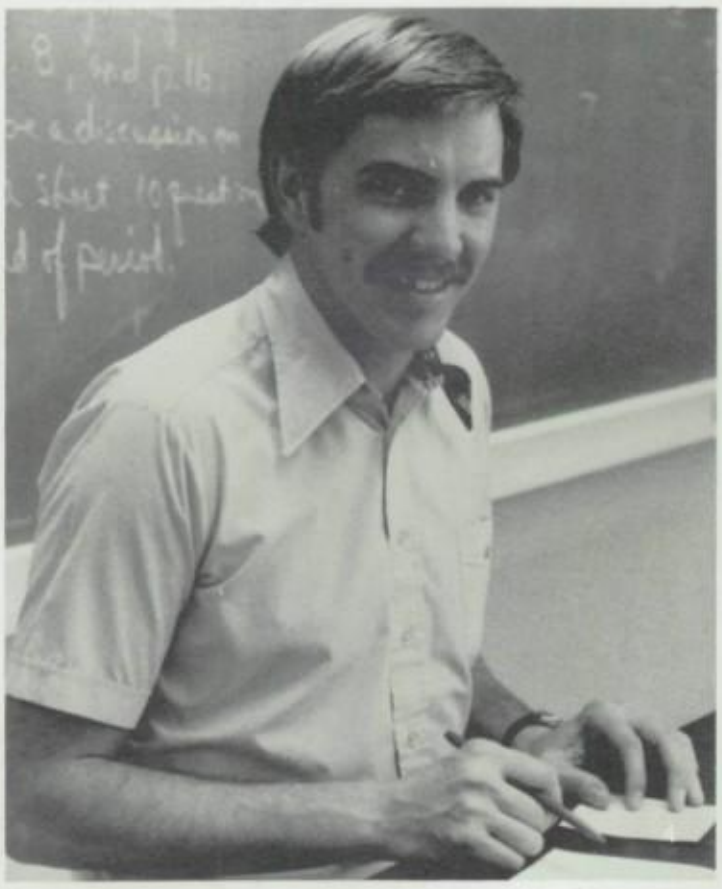


Science And Math Cultivates Minds

The mind-expanding math and science departments finished another interesting and unusual year. The math departments job was trying to teach frustrated students to do proofs, factor, and figure the area of a trapezoid. The science department did some wild and crazy things. While biology classes were trying to understand photosynthesis, Chem 2 was stinking up our halls with the essence of butyric acid.

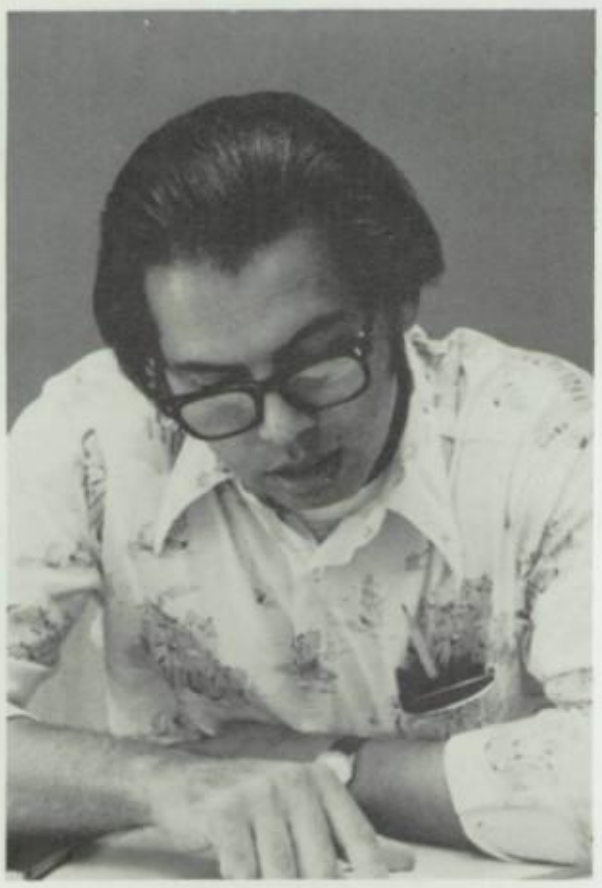
1. Rita Johnson, 2. Ms. Ainsworth, 3. Tim Painter, 4. Dave Wertz, (opposite page) 1. Phillip DeMiguel, 2. Carol Hobby, 3. Dave Roth, 4. Dave Bennett, 5. John Friend

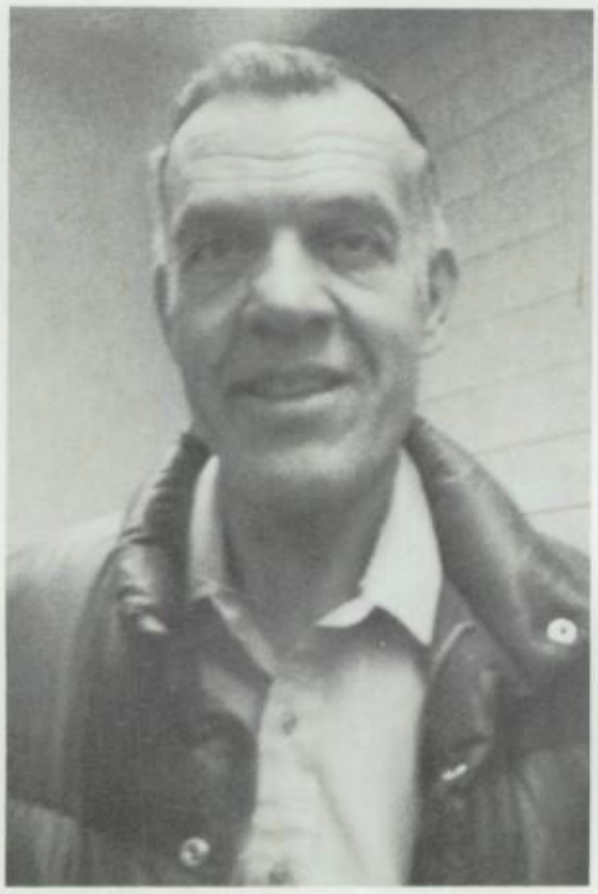




Business Department Brings It All Together

The Business Department at Coconino this year had a little bit of everything. Courses ranged from Clerical Block, teaching secretarial skills, to Machine Shorthand. There were several work programs available to seniors which gave them job experience for their after-graduation years. Teachers involved in the Business Department included Mrs. Ingols, Mr. Compton, Mr. Evans, Mr. Gomez, Mrs. Haver, and Mr. Olson. The staff this year was great.





At Home And Abroad

The history and language departments taught us about our own country and about our foreign countries. In history classes, we learned about the Declaration of Independence and how our government works. "Hola" and "Bonjour" were heard by many of the Spanish and French students as they strove to widen their foreign language skills. Thanks for the help.

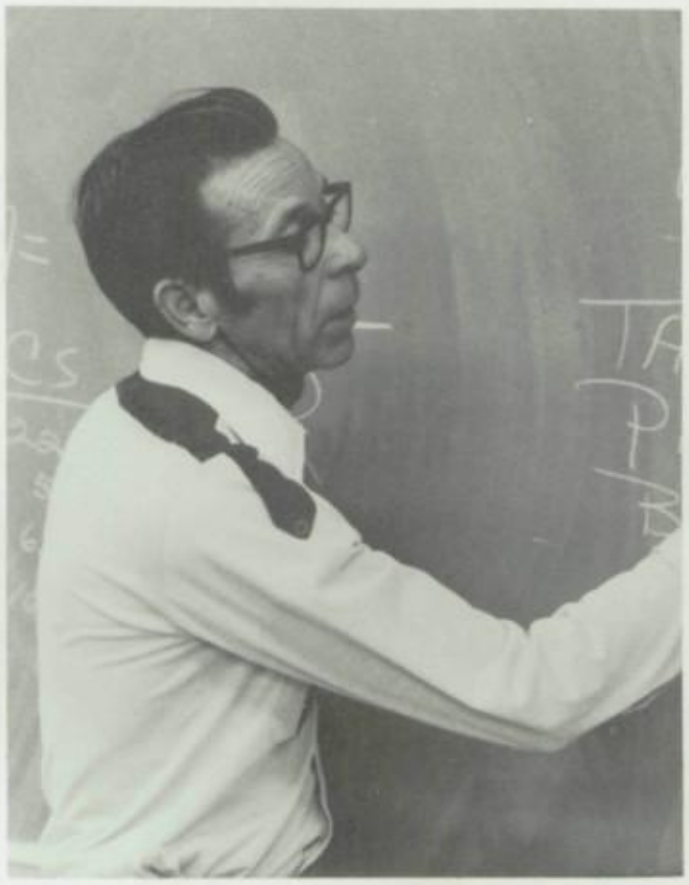
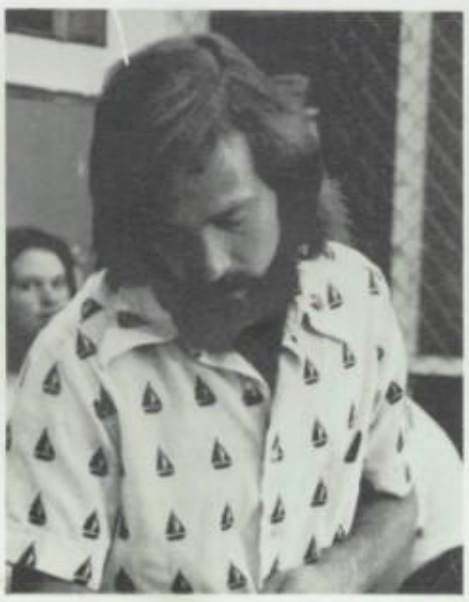
English Classes Inspire Students

English: Coconino's English Department is the largest Faculty department in the school and is headed up by Mr. Kenneth Wells. The department has gone through many changes this year including a complete reconstruction of their program. The departments main move is back to the basics. Pictured: #1 Jean McMacken, #2 Angela Julian, #3 Kris Hendricks, #4 Grace O'Dair, #5 Ken Wells, #6 Cora Lee Wolfe, #7 Barbara Eaton, #8 Deborah Stuart, #9 Brenda Cronin, #10 Tony Armenta, #11 Branch Gill.

Arts And Crafts Department Inspires Students

The Arts and Crafts Department this year included Home Economics, Wood and Metal Shop, Nursing, and various otber skills. Mr. Glenn, Mr. Eaton, and Mr. Wannie taught Metal and Wood Shop, allowing the guys and girls to learn a worthwhile trade. Mr. Barney and Mrs. Butterfield handled the Crafts section. They turned out many talented artists this year. Teaching skills for home use were Mrs. Hollins, Mrs. Holst, and Mrs. Ainsworth. Mrs. Boehle took care of our future nurses. All in all, it was a great year for both the faculty and the students.





Music And Resources

These teachers have very special qualities. Directing a group in music is the main concern of Mr. Curry and Mr. Ashley, but someone did have to teach them to play instruments and sing at their best. Resources helped to make learning easier for those who can't. In the library, Mr. Canterbury can help us look up anything from animalcule to zygote.

Physical Education Department Keeps Students In Shape

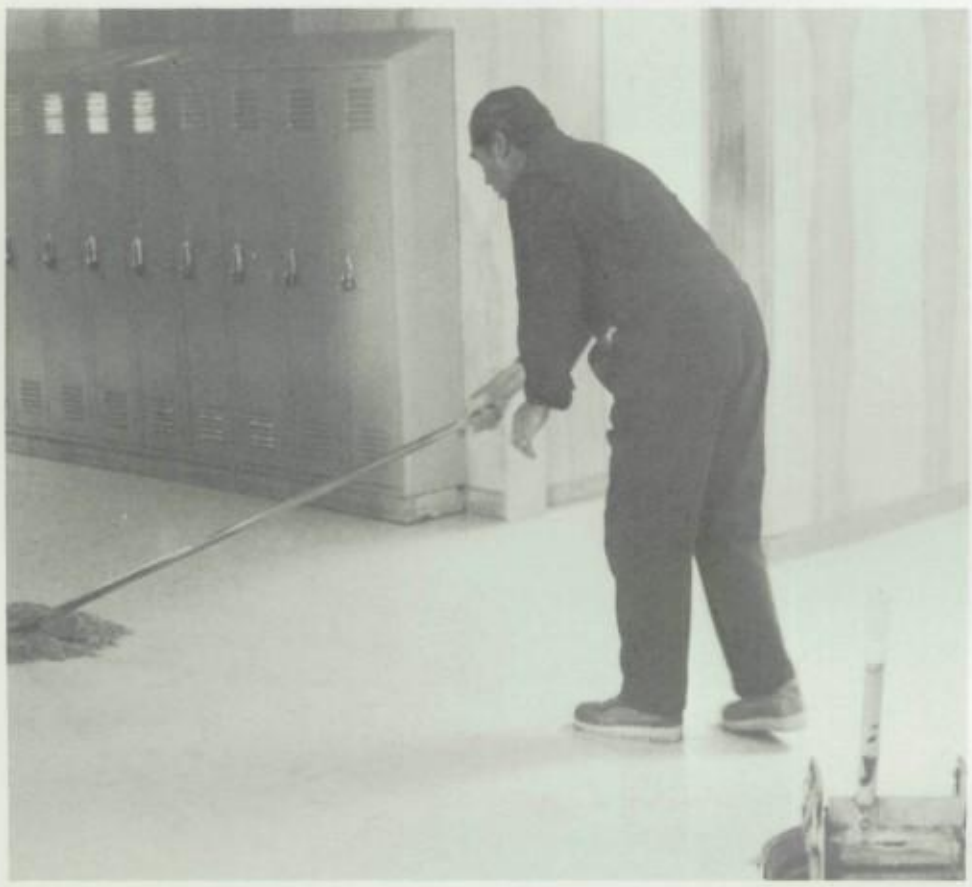
The Physical Education Department this year was fantastic. The sophomores had a year of athletics that they'll never forget and the juniors and seniors taking elective P.E. really enjoyed it.

Sara Spigner handled most of the sophomore girls while Ethel Bacus taught co-ed sports for juniors and seniors. Judy Romero (not pictured) was here a semester teaching gymnastics to girls and guys.

Stan Townsend and Bob Blair took charge of the sophomore boys and also taught elective P.E.

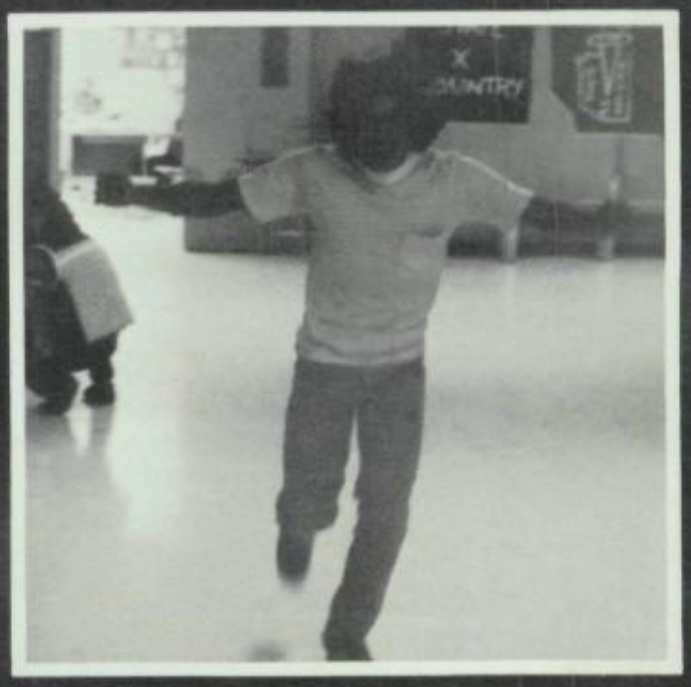
Congratulations, staff, on another great year!

Janitors Sweep. . .



. . . While Cooks Stew

The cafeteria and janitorial workers pooled together their efforts to make CHS a better school. The cafeteria prepared lunches for a few of us while the janitors helped to make our school cleaner. Thanks for your efforts.



And Every Picture Tells . . .

. . . A Story Of Our Classes

Coconino boring?? . . . No way! The student body on this side of town has spirit. Coconino had many activities to help combine the classes of 79, 80, and 81. Some of these events included welcoming our sophomores with our annual Sophomore Orientation and the parade to Flag High on the day of the big game. Not only do we support our school, but also our fellow classmates as we showed by raising money to help out Brian Conway, who was seriuosly injured in an automobile accident. With all our combined efforts, we worked hard to make the year 78-79 a year we would never forget.

Phillip:
your one of my most favorite friends and I consider you as a brother & I hope it stayes that way.
I'm also glad that we can talk about things & your girl friends but I guess that's all you do get a little of the time I still think you're the greatest best friend I've ever had or will & guess I'd better leave some space for someone else to write in.

Love ya
